

**Saskatchewan Forage Council Tour & Annual Meeting
Mark your Calendars and Plan to Attend**

The Saskatchewan Forage Council (SFC) is celebrating their 25th Anniversary this year! Stakeholders from across the industry are invited to celebrate with us at the upcoming SFC Field Tour & Annual Meeting to be held **Monday, June 24, 2013** in **Saskatoon, SK** ([click here](#) for a complete schedule of events).

Sponsored by Pickseed and Northstar Seed, registration begin at 1:00pm with the field tour starting at 1:30pm at Kernan Crop Research Centre where participants can hear about native prairie conservation research including grazing, fire and management of invasive plants. Next on the tour will be Agriculture and Agri-Food Canada (AAFC)/University of Saskatchewan's forage variety plots which showcase side-by-side plots of all recommended grass species for Saskatchewan and many of the recommended legume species for Saskatchewan.

Following the tour there will be an update on Saskatchewan Forage Council initiatives as well as the **SFC Annual General Meeting** which **begins at 4:45pm**. Presentation of the Forage Industry Innovation Award will be followed by a BBQ supper at 6:15pm. Enjoy a great meal and visit with colleagues and acquaintances from across the industry. Plan to attend this event and provide input on how the SFC can continue to serve the forage and livestock industry for another 25 years!

Registration, including supper, is \$20/person (payable at the door). Please add your name to our registration list by June 19th by contacting the Saskatchewan Forage Council at 306.969.2666 or office@saskforage.ca. We look forward to seeing you there!

Media representatives are more than welcome to attend this event. Please feel free to join us!
